Confirmation of Earlier Information on Full Day Learning

Dear Parents,

There has been some confusion at Howard Ave Public School as to whether full day learning is mandatory for children. We have since managed to clarify and resolve this confusion.

This letter is to confirm that full day learning is not mandatory and that children in kindergarten are not required to spend the entire day at school. They are free to spend only mornings or afternoons in kindergarten if they so choose.

While daycares within a school facility are subject to agreements not to offer separate morning or afternoon programs, Kids Zone is in a different position. We are pleased to be able to continue offering morning and afternoon programs for our kindergarteners.

We welcome children to come to Kids Zone in the afternoon so that they may eat, nap and spend the rest of the day with us.

As always, we will work to accommodate every one of your needs and concerns. If you have any questions, please feel free to contact me.

Yours very truly,

Branka
